Dear Stella,

How is your new school? Is it far away from us? You know our school is still on Turtle Street next to the park. You are always welcome for a visit. We miss you a lot.

I love math, but now my favorite subject is English. The English teacher is so funny. She has long hair, wears glasses, and dresses. She is my favorite teacher.

By the way, I am going to the zoo on Moon Festival. There is a new museum opening in the zoo. I would like to see the new exhibitions. Are you coming? Let's have dinner together after visiting the zoo and the museum. Please let me know if you are coming.

Best,
